

NANDROLONE DECANOATE

Active Ingredients: Nandrolone Decanoate 200 mg

DISCRIPTION

Nandrolone Decanoate. This is a synthetic and durable product designed to increase muscle mass with minor adverse effects. It is noteworthy that Nandrolone decanoate does not have any bad effect on the liver function. This steroid is mildly androgenic, oestrogenic and progestogenic. This is actually good because swelling helps to facilitate an anabolic process and build up more muscles. Nandrolone decanoate is a very powerful anabolic steroid with many benefits to use.

Storage: Store in a dark, dry place, at room temperature. Do not refrigerate. Keep out of reach of children.

Product Content: 10 Ampoules of 1 ml - 200 mg / ml
